With as busy a schedule he has, waiting for a meet with him might not be your quickest way to get some answers to your questions or share your experience about the BID. Looped into this email is Debbie Dyner Harris, our District Director, who is the expert on our staff with regards to the BID so if you have any questions you might be best served directing them to her!

Hello Taylor,

It was a pleasure meeting you at the Chamber of Commerce mixer yesterday evening. I appreciate the information on and spirited debate of the upcoming BID. As a mixed-use property owner who will be financially responsible for the upcoming implementation of the BID, I am sending this email in regards to scheduling a meeting with Councilmember Bonin to discuss the issue in greater detail prior to the August vote.

Thanks in advance for helping set this up.

All the best,

Hi Kevin, I am happy to discuss the BID with you at any time. Otherwise, if you'd still like to find time with the Councilmember, we can try to make that happen in your time frame.

Thanks,
Debbie

Taylor, thanks for getting back to me so quickly. And it's a pleasure to meet you, Debbie.

Yes, I would like to meet with Mr. Bonin in regards to the BID. I believe the vote is on the 23rd or 24th, so I would like to set something up as soon as possible. Thank you so much for facilitating this.

Best,
